

**IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF DELAWARE**

DDR HOLDINGS, LLC,

Plaintiff,

v.

PRICELINE.COM LLC, *et al.*,

Defendants.

C.A. No. 17-498-CFC (Lead Case)

C.A. No. 17-499-CFC  
C.A. No. 17-501-CFC

**JOINT STATUS REPORT**

DDR Holdings, LLC is the plaintiff in these actions, consolidated for pretrial purposes, which involve assertions of infringement of four patents, all continuations of one another. Some defendants previously in these consolidated actions have settled, so the only remaining defendants are (1) sister companies Priceline.com LLC and Booking.com B.V, accused of infringing four patents; and (2) Shopify, Inc., accused of infringing three of the four patents.

Counsel for the above parties have met and conferred on the subject required by the oral order dated September 14, 2018, circulated as a minute entry, which ordered the parties to identify “the next event the Court needs to schedule.” In response, the parties advise that no motions are pending, and the parties believe that the next event the Court should schedule is a status conference in December 2018, to address either or both of (i) a motion for stay pending IPR (if such a motion is filed), or (ii) setting briefing and hearing on claim construction (*Markman*) and events for the remainder of the case. *See* Dkt. 71, 72 (revised scheduling order based on joint report).

The parties do not intend this joint report to preclude any party from making any motions in the interim if deemed appropriate.

Respectfully submitted
